FOR IMMEDIATE RELEASE

### **FLEX-ING ATTENDING AUTOMECHANIKA IN FRANKFURT GERMANY**

FLEX-ING will appear among international industry leaders at Automechanika September 14-19. Automechanika spotlights automobile sector innovations and solutions in the fields of parts, systems, tuning, workshop equipment, bodywork & paintwork, car wash, IT & management. FLEX-ING's participation in this worldwide, cutting edge event will expand access to emerging trends and markets.

FLEX-ING, headquartered in Sherman, Texas, USA is a leading solutions provider for the petroleum, service station equipment, hydraulic and cryogenic industries. FLEX-ING manufactures a host of applications to manage the transfer and dispense of petroleum products, ease maintenance tasks and increase safety. FLEX-ING's unique and flexible solutions cater to both major industrial distributors as well as unique industry applications.
